High Performance Web Sites

Chetan Ubarhande

Web Developer | ReactJS | UI/UX Work with Figma
Pune District, Maharashtra, India

Summary

I'm a passionate Web Developer with over 4+ years of experience building fast, responsive, and scalable web applications. I specialize in front-end development using React.js, Next.js, JavaScript, and Bootstrap, with a strong focus on UI/UX design and performance optimization.

Throughout my career, I've successfully delivered a wide range of projects — including CRM platforms, ERP modules, e-commerce websites, and NFT marketplaces — helping businesses improve efficiency, enhance user experience, and drive engagement.

I'm always eager to learn, solve real-world problems, and collaborate with teams to build impactful digital products.
